Above fees are based on typical residential construction. Atypical construction, such as townhouses, foster care, etc., may be charged differently depending on type of construction. Contact the Building Codes Officer.

Small projects may be eligible for a \$55.00 plan review. Check with the Building Code Officer.

Other services provided at **no charge** to the Client: Telephone calls and correspondence with client and contractor; Mileage to site for inspections; First class postage.

**EFFECTIVE JANUARY 1, 2009**

An ADDITIONAL FEE will be charged for re-inspections (INCLUDING FINAL INSPECTIONS).

Construction WITHOUT Building Permits: The following fees apply in situations where construction has begun without a building permit and Light-Heigel is directed by the municipality to pursue the violation. Light-Heigel will ONLY pursue these cases with permission from the municipality. These fees will be added directly onto the building permit fee.

Additional Inspections = \$65

(these are inspections required as a result of starting construction without a permit)

Notice of Violation/Unsafe Structure = \$100
